1. “Hey, I am only fourteen, what do you expect, I can be remembered as a sinner. I need to rewind the time

turner some and relive the past to see what I am missing; I have the magical power." Goodreads

2. "If anything — learn from me. Try to do the virtuous things I did and not the mistakes I made… Always be who you were meant to be, regardless of what they say… because who in the hell are they!"

3. "It eats at you over time, 'people are fake anger and frustration will eat at you like cancer. Until it kills you, or they do within you!" Goodreads

4. "He called me out in front of everyone and said sing — 'One of these things is not like the other.'… I just said photocopy it, and that pissed him off; I would like to say to him to stop wasting my time."

5. "I would love to fall into his arms and say take me, and he would kiss me all over! Yet, I would say, never-ever leave me; do not leave me at any phase of life again; you're mine!"

6. "My mother did not care if I lived or died; Nonetheless, Hope took me under her wing and embraced me as if I was one of her children… I would love to be able to put my finger up to his face and say I your wife, and he is all mine."

7. “My sweet brown shaggy teddy bear was the only thing, I grabbed covering my body from dinner, then I went into my room… Truly, I did not care about my nakedness anymore; after all, I am wild, continuous, unbroken, and untamed.”

8. “I remember, that demons can take the shape of anything and hide within anything even you and me, and in me they did.”

9. “I watched outwardly exhaling athwart the great fields, into the mysterious eyes of the sole snatching demon; that took the look of a young girl holy ghost.” Goodreads

10. “Nevaeh, she is not like others her age, she is one of the once-in-a-lifetime types of young ladies, that speaks her mind, yet she is polite and charming, engaging, endearing, lovable, and endearing.” Goodreads

Quotes from Nevaeh The Miracle

1. “It can be hard having faith in something that cannot be expressed in words. But — that is what remembering life is about, having faith that there is a plan for everything.”

2. “Nevaeh — When you toss something or someone away, where does it go? It is just the same as not missing a family that I have never had — I guess… Just when I thought, all was lost completely and everything was helpless, while I have hit rock bottom once more.” Goodreads

3. “The perfect girl what can I say; to be so close yet, feel miles away. I want to run to her, but have to walk out the door going the other way. The only words spoken to her are — ‘Have a nice day.’” Goodreads

4. “Who would have thought the dumb simple-minded Nevaeh, would get the best of me? Nevertheless, as you know I will get her, I will get everything she has, wants, and wishes. We will get to her soon! That is a promise!” Goodreads

Quotes from Nevaeh Struggle with Affections

1. “Her eyes were closed so tightly that you could see her long-curled eyelashes pointed skyward, in her baby blue coffin. She was an angel to look at even at that moment.” Goodreads

2. “Maybe Lily was my first true love, maybe it was Maiara, or maybe it was just him, I guess I have had more love in my life, which I looked over yet not knowing that I did? –Do you understand what that is like?” Goodreads

3. “The angels and hallucination-like, we were all fighting for me to not be taken in any way by demons, or by the girls, that wanted me for their sexual role-playing games.” Goodreads

4. “Stranger Danger. Nevaeh — There is always someone in the way or so it seems. I believe in not saying too many negative words so that I can receive my blessings, which will surely come in due time.” Goodreads

Quotes from Nevaeh Falling too You

1. “I have been told by many that their life is wonderful, that life’s a game, but it’s not fair, I break the rules, so I don’t care! That it is thrilling to be part of the freaking world of butt holes.” Goodreads

2. “She had me later on in life to another freakier she’s even more freaked up than my step-monster…

Honestly, I thought that someday, 'I would do wonder and crap cucumbers.'" Goodreads

Quotes from Nevaeh The Lusting Sapphire Blue Eyes

1. "I used to bite my lips, thinking about that gold band, and the sparkly rock on top. You can make me feel like royalty; yes, I will be your queen ruler." Goodreads

2. "The ghostly words that I hear from the ones that speak to me are saying something like — 'Look out for the stars that shine for you in hope. But — be aware to not fall into the deception.'" Goodreads

3. "Nevaeh — I am feeling that I am moving out of this temperance, in this transition, and passing the will of fortune. Yes, I feel that I am on my way to being a lover without the tower's knowledge." Goodreads

4. "My Seclusion. Just like, I remember the — Fireflies at night, they all carry their — own light in flight. They fly higher and higher until they are out of sight." Goodreads

Quotes from Nevaeh They Call Out

1. “Oh — so long ago… The dance-like to me in my eyesight and that would be all right if I was crapping myself by it, it’s cool, yet creepy; they twinkle with wonder as if they want me to know something that lies inside.” Goodreads

These quotes offer a glimpse into the emotional depth and complexity of the *Nevaeh Saga*. If you’re interested in exploring more, you can visit the Goodreads page for Marcel Ray Duriez to find additional quotes and information about his works.

Here are some original and attributed quotes by Marcel Ray Duriez, reflecting his thoughts on creativity, identity, and the human condition:

Inspirational & Artistic Quotes:

“Art is the breath of my soul — it speaks when words fall short.”

“Creativity is not a choice; it is how I process reality.”

“To create is to heal the fractures within.”

“I do not live in the world as it is — I live in the world as it could be.”

“Genius isn’t noise — it’s the quiet voice in the dark, building entire universes from silence.”

On Identity & Self-Acceptance:
“Being different is not a flaw; it’s a fingerprint of the divine.”

“Asexuality is not absence — it is presence without pressure.”
(From The ABC’s of Asexuality)

“Neurodivergence is a different wiring, not a broken one.”
(From The Misunderstood)

On Writing & Creativity:
“Ten million words later, I’m still writing my first sentence in a new world.”

“Every page I write is a step toward understanding myself.”

“The longest story ever written was never about length — it was about love, grief, and the search for home.”
(Referring to The Nevaeh Saga)

On Music & Sound:
“Music is the architecture of emotion, and I build cathedrals out of sound.”

“A song with no words can still tell your story.”
